To Whom It May Concern,

As of July 17, 2023, the Office of Registrar at the University of California, Santa Barbara (UCSB) no longer completes the College Report for the Common Application or any other transfer report. The UCSB official transcript contains the information being requested, including, where applicable:

- Transfer credits, AP or IB credits, and study abroad credits
- Cumulative and term GPA
- Transcript legend and explanation of grades
- Major(s) in progress
- Major, minor, academic certificates, or credentials earned
- Terms of enrollment
- Degrees earned and degree honors
- Suspensions or dismissals due to student conduct code violations, if in place at the time of the transcript request

Please see the student's transcript for an accurate and comprehensive academic record of their time at UCSB. Undergraduate students who left the university in good academic standing and who wish to register for classes after an absence, a complete withdrawal, or a lapse of registration are eligible to readmit unless they canceled their registration prior to the first day of classes during their quarter of admission, or have been suspended or dismissed from the university. To obtain disciplinary clearance (also known as a Dean's Certification), please contact the [UCSB Office of Student Conduct](#).

Contact the UCSB Office of the Registrar at Registration@sa.ucsb.edu if you have any questions regarding this matter.

Best regards,

Anthony Schmid
University Registrar
